

## B&D - GARAGE & GATE DELETION PROCEDURE

**IMPORTANT:** This procedure is only to be carried out if the garage/gate belongs to a private house. This will erase all working remote controls and is not to be carried out on a public or shared garage/gate.

1. Locate the 'Learn' (Sometimes labelled 'Code Set') button.
2. Press and hold the 'Learn' button for 15 seconds.

Compatible with the following
